

ETHOS

E·THOS \ NOUN: "THE DISTINGUISHING CHARACTER, SENTIMENT, MORAL NATURE, OR GUIDING BELIEFS OF A PERSON, GROUP, OR INSTITUTION"

Our ethos are the guiding principles that make up the backbone of our identity and define our culture. These guidelines help us preserve structure, promote integrity, and pursue our vision. DUSK Combat Force has the right to remove any individual that is deemed to have intentions to disrupt or damage the principles set forth in our ethos. The severity of punishment will be decided on a case by case basis by our leadership team. We also reserve the right to add, remove, modify, or otherwise change any part of the ethos in whole or in part at any time.

RESPECT

RE-SPECT \ NOUN: "DUE REGARD FOR THE FEELINGS, WISHES, RIGHTS, OR TRADITIONS OF OTHERS"

- I. Everyone has the right to their own views and opinions. Discriminating or being hateful to others on the basis of race, color, sex, religion, nationality, ethnic or national origin, marital status, disability, sexual orientation or age will not be tolerated. We welcome gamers from all walks of life and expect everyone to mutually respect one another. We have a zero tolerance policy for childlike behavior that yields a disregard towards others. Treat everyone the way you would like to be treated and expect the same in return.

- II. It is understandable that not everyone will come to share the same views or opinions on various topics. While not all of us will see eye to eye, we expect our members to respect one another's points of view. Choosing to act on others in a manner that is libelous or defamatory, or in a way that is otherwise threatening, abusive, violent, harassing, malicious or harmful to any person, or invasive of another's privacy will result in immediate removal from the organization.

- III. As important as it is to respect your fellow members, it is equally as important to respect your competitors. As a member of DUSK Combat Force, you are entrusted with honorably representing our organization and our values. You are the face of our brand and an extension of DUSK Combat Force. Do not tarnish our brand image and set a negative reputation for everyone else.

LOYALTY

LOY-AL-TY \ NOUN: "A DEVOTION AND FAITHFULNESS TO A CAUSE, PHILOSOPHY, GROUP, OR PERSON"

- I. As a member of DUSK Combat Force, you are obligated to be faithful and solely pledge your loyalty to DUSK Combat Force and not to any other gaming organization, team, community, or clan. Anyone who is found misrepresenting our organization or committing forms of espionage will be immediately removed from the organization. Exceptions are made on a case by case basis if a member is involved in a collegiate program involving competitive gaming or eSports.

- II. A clan tag is our way of distinguishing ourselves in game. It is required that all members who play a game with a clan tag option or a similar identifier option to represent the organization by setting "DUSK" (in all capital letters) as their tag. Members are only allowed to change their tag to "TTV" while they are actively streaming in order to promote themselves. Our members will also never be required to change their gamertag or username to include our tag, but it is highly encouraged.

- III. Poaching members of the organization either publicly or in secrecy to join another team, community, or organization is not tolerated and is punishable with an instant removal from the organization. This includes but is not limited to existing entities or entities of one's own creation. The same level of respect applies to poaching members from another team, community, or organization to join DUSK Combat Force.

CAMARADERIE

CA-MA-RA-DE-RIE \ NOUN: "A SPIRIT OF FRIENDLY GOOD-FELLOWSHIP"

I. We treat our organization as a family and we hope that all of our members will always have each other's backs regardless of any situations that may arise. If we find ourselves winning or losing a game, we will take that victory or defeat together. Rage quitting or abandoning your team in any game is inexcusable and will result in disciplinary action. No one likes a sore loser.

II. Our members are expected to hold one another accountable and to bring out the best in themselves and in others. Unsportsmanlike conduct that includes cheating, hacking, glitching, boosting, or illegally modding in order to give oneself an unfair advantage will result in immediate removal from the organization. We are all here to play and have fun, with the opportunity to be in a competitive environment.
